

Communication with you is of special importance to us!

AGT ENGINEERING & OPERATIONS SERVICES is a pioneering group that improves and upgrades its services by anticipating your own needs and requirements.

The newsletter aims to inform you of all current projects as well as of the latest developments on topics that may interest you. We are beside you to implement targeted proposals and solutions tailored to your environment.

AGT ENGINEERING & OPERATIONS SERVICES group is a leading player in the choice of those who want top total customer solutions.

We are delighted to present you with current issues or projects undertaken by the group.

ADAPTATION OF CORPORATE IDENTITY OF NEW SKLAVENITIS SHOPS

I. & S. Slavenitis SA evaluated our experience, flexibility, our nationwide presence and we undertook the bulk of corporate identity adaptation in new stores they joined our network after having trusted us to adapt to Hyper and Super Markets throughout Greece with a total area of more than 75,000 m2.

The work included partial or complete renovation of the integrated network as well as external works in all Greek shops.

AGT DESIGNS THE INNOVATIVE WORKING ENVIRONMENT

Once again, the AGT ENGINEERING & OPERATIONS SERVICES Group is awarded a contract abroad.

Our customers recognize and reward our Group's unparalleled quality of services. Here's an example: our projects in both Greece and Turkey for a major multinational industry have now expanded to France. This new project has unique requirements that demand specialized know-how, and concern the expansion of the production line at the company's industrial facilities in France.

FULL TECHNICAL OPERATION – HOSPITALITY SUPPORT

One of the Top Business Hotels has joined our Hospitality Support service as we have undertaken full operation at a technical level.

The operation is organized - supervised by AGT FM in conjunction with in-house technical support staff. Through the AGT Hospitality Support model, the Technical Maintenance, Compliance Service and the supervision of all the hotel's civil & E / M facilities are fully supported. The hotel with 152 rooms, restaurants and conference facilities (550 m2.) is located in the center of Athens and belongs to the umbrella of Radisson which has 158 hotels worldwide.

H AGT ΣΤΗΡΙΖΕΙ ΤΟ 11th MAINTENANCE FORUM

We participate as sponsors and speakers at the 11th Maintenance Forum taking place in Athens, 12 & 13 October. Our George Theocharopoulos North Region Manager will speak in the section: Energy & Facility Management on "How a Total Facility Contract Can Take Off Production".

The listener will have the opportunity to understand what this contract means, how it is organized and why it gives goodwill to the customer. In the end, we will present a case of success at Total Facility that we apply to multinational companies.
