We are delighted to present you with current issues or projects undertaken by the group.

## **AGT RESPONSIBLE FOR EUROBANK ALL OVER GREECE**

AGT takes care of the uninterrupted operation of the critical systems (UPS) of Eurobank's branches nationwide.

Banking groups have high demands on the operation of the branches as there is no minimum interruption without significant impact.

AGT with specialized staff, customized work platforms and ongoing activities such as participation in scientific conferences / seminars, recurrent training of all staff, sets the bar high and maintains a level of know-how that has been awarded by competent bodies. With the above operations and its many years of operation in the operation of critical systems

---

through collaborations with banking groups and other similar organizations, it also achieves a smooth flow without the slightest interruption with highly expertised staff stationed throughout the country supervised by the regional sectors .

## WE SUPPORT 3RD FMDAY 2018

Facility Management Association representing the Greek companies for Integrated Facility Management ([Hellenic Facility Management Association-HFMA](#)) of which we are founding members, organizes the 3rd FMDAY 2018.

A conference with recognized speakers and a rich subject that we will continue to provide, continuing our active support to the scientific communities and industry associations that are consistent with our core pillars, continuous development and high level of know-how.

More information about the conference you can see [here](#).

## AGT GROUP BC "SCORES "

AGT Group, always showing the utmost interest in culture and sports, has formed the AGT Group BC consisting of the personnel that manages the region of Thessaloniki.

With many years presence in the championship of ASET. (Athletic Association of Thessaloniki Workers) and many distinctions in its history continues this year, with its successes succeeding each other, already blocking its position in the Final Four.

The hard work and strenuousness both on and off the road make us proud that these athletes are part of the AGT family and are governed by these features shared by all of the Group's staff.

## AGT & COFFEE ISLAND ABROAD

In the context of expanding our operations abroad through AGT Constructions & Services LTD, we are expanding our successful cooperation within Greece with one more customer, the Coffee Island chain, providing services for the development of a network of their new branches in Cyprus.

Our customer-centric philosophy is one of the key factors that has led us to form a multitude of long-term partnerships with our clients who are characterized by good results and trust.
