

Communication with you is of special importance to us!

AGT ENGINEERING & OPERATIONS SERVICES is a pioneering group that improves and upgrades its services by anticipating your own needs and requirements.

The newsletter aims to inform you of all current projects as well as of the latest developments on topics that may interest you. We are beside you to implement targeted proposals and solutions tailored to your environment.

AGT ENGINEERING & OPERATIONS SERVICES group is a leading player in the choice of those who want top total customer solutions.

We are delighted to present you with current issues or projects undertaken by the group.

OUR AWARD IN FM AWARDS 2017

We have won three major awards that highlight and reward best practices. These awards demonstrate our commitment to high standards and values that follow our philosophy of providing state-of-the-art services for businesses, organizations and agencies in Facility Management.
