INDUSTRIAL

Committed to challenges

In the field of [Airport Services](#), an agreement was signed with one of the largest European aerospace groups in the field of Airport Operation Support Systems infrastructure. The deal was inaugurated by undertaking similar major work at a major airport of Greece.

In the industry, AGT won two major production line expansion projects in Southern Europe, following once again the motto regularly heard from the mouths of our client's executives '[Bring me the Greeks](#)'.

Within the country, the largest meat processing company of the field, entrusted the construction of a new production facility to our company.

AGT INSPIRING NEW WAYS

The new [Loft Apartments at Psiri](#) was inaugurated and put into operation in the heart of Athens by our company. A demanding project both technically and functionally, the result of which has excited both our Client and users and upgraded the area.

Also one of the largest hotel complexes in Athens chose AGT to renovate and upgrade its rooms along with its operation, recognizing our extensive experience in fit out & maintenance projects running in parallel with the uninterrupted operation of the facilities.

AGT INFRASTRUCTURES

AGT understands the needs of all sectors and covers with the range of its services and those of public infrastructures, with a significant presence, having undertaken a multitude of projects involving school buildings and other public organizations, water supply networks, and is expected to launch in the near future large scale landscaping and road construction projects.

AGT – LIFE PROJECTS

AGT's priority on human beings and offerings, could not start elsewhere, but by its own staff, continuing the "Learn & Become Strong" campaign for another year. In order to highlight the importance of education and the development of the younger generation, it distributes to the children of its employees, stationery & other equipment with emphasis on creative activities for younger ages and premium textbooks to older children, so that youngsters find support in making their choices and their first steps for the foundations of their future careers.
