AGT BRINGS THE GREEK PRIDE

The CEO Clubs Greece Anniversary Forum titled "Leading from Ground Zero in Action", attended by 250 executives, was successfully held on November 14, 2019 at Hilton Athens. Recognizing the course of the AGT, Mr. Anastassopoulos Nikos, the group's CEO, was invited to share the story of this course and how not only did the AGT overcome the crisis, but also developed based on the values that govern it. A highlight of the talk was 'Bring me the Greeks', a story that deepens the feeling of national pride and sets the group apart in the market in and out of the country. You can see more [here](#).

2019 FAREWELL WITH DEALS

2019 is about to bid farewell to us with new contract signatures for major projects and maintenance contracts. The recognition that the AGT Group enjoys in the market for its consistency and effectiveness has given us a significant backlog for 2020 from leading organizations. We also successfully execute our major contracts abroad and at the same time we have been selected to participate in major project competitions in Greece. Like all the years until now, thus in the New Year, we will stand by our customers by supporting them daily to meet their small or large needs.

AGT

Για το περιβάλλον,
την κοινωνία, τον Άνθρωπο.

Festive days are an opportunity to step up our efforts and get the message across that we can all help our needy people. AGT faithful to its values, with a high sense of social responsibility and offer, will once again support the Streetwork action of the Emfasis foundation, supporting a multitude of people living in street conditions, and will be happy to support the charity basketball tournament that will organized by ASETH, whose proceeds will go to the all-day Thessaloniki Special School for Children with Autism.
